

Madam Director General Atchara Suyanan of the Ministry of Foreign Affairs, Distinguished Delegates, Friends, Ladies and Gentlemen

The 3rd Workshop on the ASEAN Mechanism on Human Rights is coming to its closing session. May I first of all, on behalf of the Thai NHRC, express our appreciation for your valuable participation in the past two long days of discussions. I myself have learned a good deal. After all the presentations and instructive dialogues together with questions and clarifications, I wish to speak my part that hopefully is of something positive to furthering our common cause here.
